

# NIGHTLY LANE RESTRICTIONS

## Sepulveda Boulevard at LAX Entry / Exit

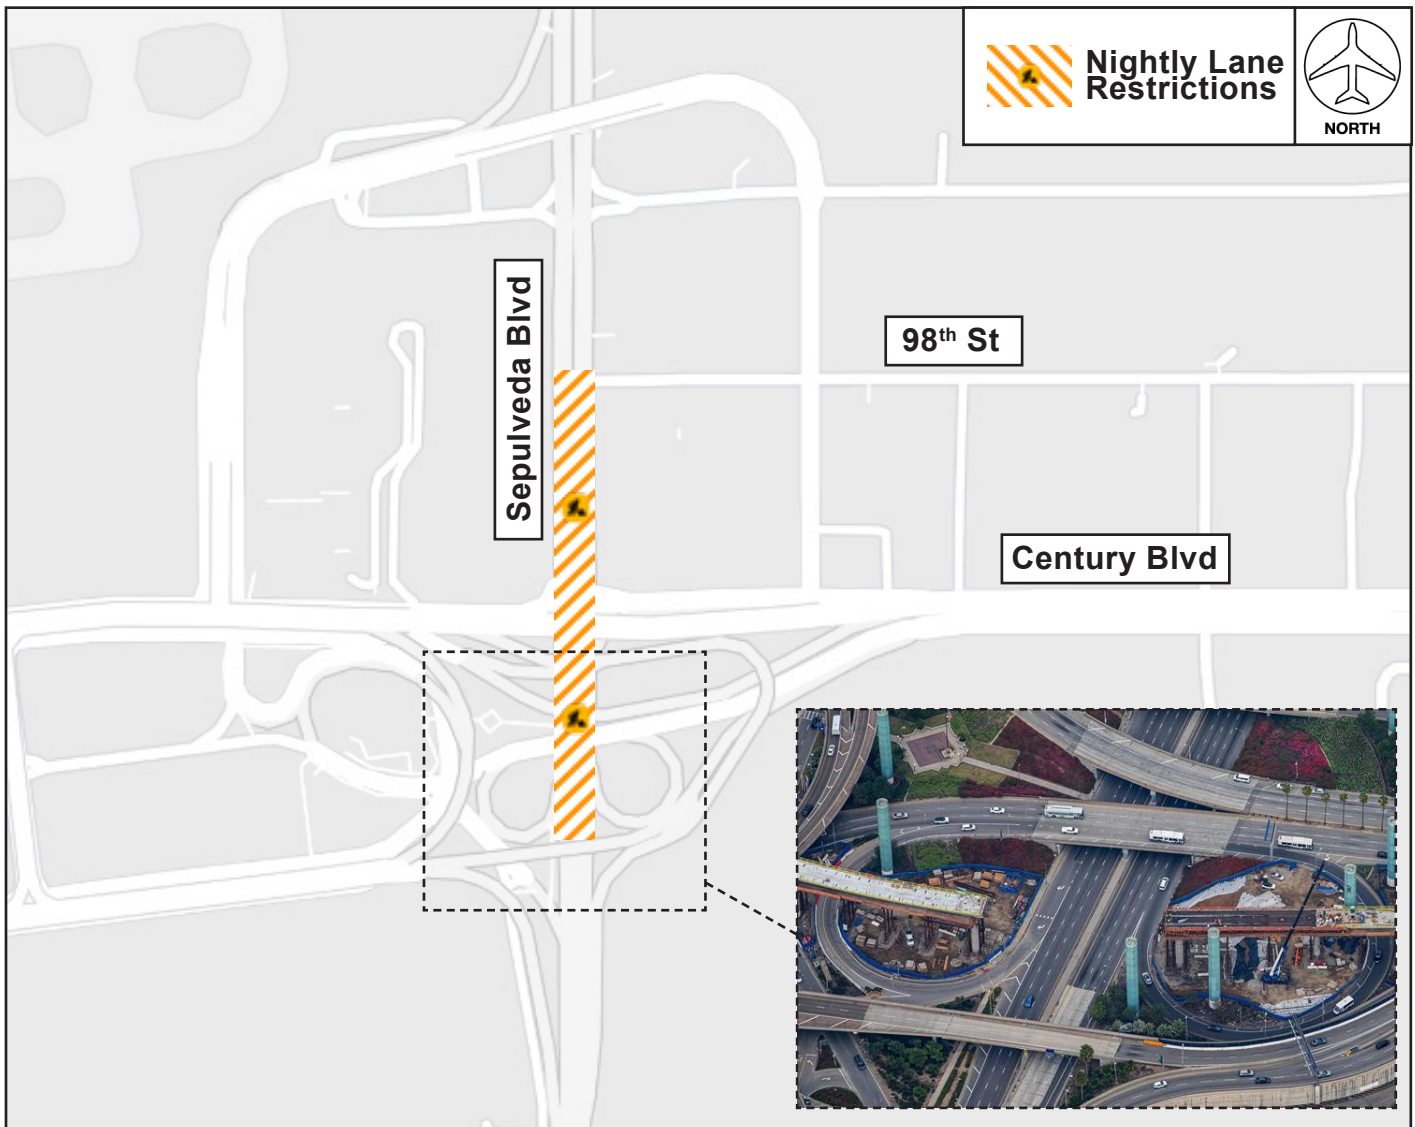

Wednesday, January 12 through Thursday, March 31, 2022

Monday through Saturday Nights from 12AM to 6AM

### ACTIVITY

To facilitate guideway construction for the Automated People Mover project, nightly lane restrictions on Sepulveda Boulevard near the airport will be in place Wednesday, January 12 through Thursday, March 31, Monday through Saturday nights from 12AM to 6AM.

While these single lane or two-lane directional closures take place overnight, at least one northbound and southbound through lane will be maintained at all times. Signage will be in place.
